MEMORANDUM FOR: Chief, WH Division

SUBJECT : AMD Inquiry Re Current Authorization to Move Air Force Crews and Aircraft to FJHOPEFUL.

1. Representatives of the AMD called on the Desk and Administrative Officers for PBSUCCESS 17 March 1954. The purpose of their visit was to determine whether their present course of action relevant to moving Air Force crews and sterile aircraft from Headquarters to FJHOPEFUL on 22 March still has the sanction of WHD.
2. The AMD representatives were advised by the PBSUCCESS Desk Officer that phases 2 and 3 of the operational plan are being given a "long look" and that a positive answer to their inquiry could not be given until late Thursday, 18 March 1954, at the earliest.
3. The above query on the part of AMD is both reasonable and justified. If they are to fulfill their obligation to PBSUCCESS, they must be given a firm answer to their query within the time indicated above. It is equally important that they be advised if their obligation is to be cancelled because cancellation will require considerable administrative action on their part.
4. The PBSUCCESS Desk Officer advised the AMD representatives that they would be contacted on Thursday, 18 March, 1954, and advised re the status of their obligation.
